## 2 CONSECUTIVE YEARS IN THE DEFENSE NEWS TOP 100 LIST

### BMC is still one of the world's top 100 defense industry companies.

Offering special solutions for the needs of allied countries and in particular Turkish Armed Forces, BMC Otomotiv Sanayi ve Ticaret A.Ş. is continued its success to become one of the world's top 100 companies in the defense industry for two consecutive years.

“DEFENSE NEWS TOP 100”, the world's most prestigious defense industry list of the US-based international defense industry news portal DEFENSE NEWS, has been announced. Ranking 89th among the World's Top 100 Defense Companies. R&D studies and production investments which made in defence industry in the past years of BMC was decisive in achieving this success.

BMC, with its more 50 years of experience in the production of commercial and military land vehicles, providing leading edge protected mobility solutions such as ALTAY Main Battle Tank, KİRPİ, AMAZON and VURAN Armoured Vehicles, Tactical Wheeled Vehicles, Logistic Support Vehicles, its announced in 2019 Tank Transporter Vehicles, Container Transporter Vehicles, Armoured Pick-up and various special defense vehicles BMC operates in different geographies.

BMC, which assumed as responsible for the production of Turkey's main battle tank Altay, also runs the projects of armored vehicles and the engine development for Altay tank.

BMC is proud and honored to have achieved such a great success worldwide for the seconds time on behalf of the company and its country.

## ABOUT BMC

As one of the leading Turkish automotive companies providing solutions in both defence and transportation industries, BMC has been established in 1964 in İzmir. Since the first day of its foundation; BMC, by developing in-house know-how via its own R&D Center, has achieved a significant contribution of 10 billion dollars to Turkish economy. Throughout 56 years, BMC has accomplished successfully the hard task of manufacturing over 300.000 vehicles in total.
